#### Notes:

The northwest quarter of section 5 is listed in the BLM database with a joint ownership patent issued to Christine Constantin, Johann G. Eberle and William Obering.

Section 20 - Frank Ludlum is listed as a co-owner with the Heirs of Henry Ludlum for the northwest quarter.

Section 29 has errors in the BLM database showing two patents issued for the northwest quarter and none for the southwest. An online copy of William Carls' 1913 patent shows it was issued for the northwest quarter so this map assumes that Susan Turpin's patent was for the southwest quarter.
